**Nene-doc** has changed its name and is known as **NORTHAMPTONSHIRE Out Of Hours**  
Contact telephone number is

**033 336 664 664**

## **CHLAMYDIA SCREENING**

We are working with the National Chlamydia Screening Programme to help reduce the high number of 15—24 yr olds with Chlamydia. **CHLAMYDIA** affects 1 in 4 of young people who have had sexual contact. It is easy to do - just pee in a pot!

**Ask the nurse or doctor for a kit.**

On 1st April 2011 the practice said a fond farewell to our longest employed member of the receptionist team, Amelia as she retired. I know we will all miss her smiley face and infectious laughter. We wish her a long and happy retirement.

~~

It looks like to young ones are taking over! We welcome Rachel and Connie who join the team.

## **Emailing prescriptions**

As you can image we receive many repeat prescriptions on a daily basis. But we are currently we are experiencing a significant increase of requests, where only one item at a time is being ordered. We do encourage you to only order what you need but preferably not one item at a time. Some times we get daily requests for one patient! Obviously this increases our workload dramatically and does not help the environment. **REMEMBER** please give us 48hrs notice.
